ITCS210-Exercise

You need to custom a Google Map to display these following conditions.

1. Display the map of ICT Building, Mahidol University.
2. Set a polygon around the building.
3. Set a marker to the building.

The maps should be similar to the picture below.

Example of expected result

Hint! If you have no idea how to achieve this, you should start from

<https://developers.google.com/maps/documentation/javascript/adding-a-google-map>
